Protocol on professional visitors to schools

1. Introduction

This guidance is intended to help RCSAT schools to manage professional visitors in a way that ensures the safety of children and adults on the school site. The responsibility for these arrangements lies with the Head teacher/Principal and the Governing Board.

2. Guidance and Responsibilities

The Head teacher/Principal and Chair of Governors are responsible for implementing this guidance and managing the protocol for visitors to their academy. The day to day arrangements need to be understood and implemented by all staff. All staff have a responsibility to ensure that visitors to the school are properly welcomed and managed safely within school.

All staff should be made aware of this guidance and that it applies to the following visitors equally.

It should be included within the establishment's whole school safeguarding policy and referenced in the school's health and safety policy and other relevant policies.

Types of visitor

There are a number of different types of legitimate visitors to a school.

- Visitors who attend the school in connection with children and who have a professional role i.e. social workers, educational psychologist, SEND officers, targeted support workers or health related professionals.
- Visitors attending to work with children in roles such as peripatetic tutors, sports coaches

Visits should be pre planned to ensure they run smoothly taking into account the need to safeguard both children, the reputation of the school and the visitor. Where appropriate, risk assessments should be undertaken. The head teacher or senior leadership team should be aware of visits in advance whenever possible.

Appropriate rooms should be allocated to the visiting professionals

3. Procedures for ALL visitors

- Wherever possible, visits to schools must be pre-arranged and the relevant personnel made aware, this includes child protection investigations where a child needs to be seen on the day
- All visitors must report to the main reception first and not enter the school via any other entrance
- At reception, all visitors should explain the purpose of their visit and who has invited them. They should be ready to produce formal identification. All staff should show the photo ID card there employing agency has issued them.
- Administrative staff will note down any DBS or reference numbers provided.

- If there are any concerns in relation to the validity of this identification school staff should seek to confirm this with the employing agency
- All visitors will be asked to sign the visitors' record book or equivalent such as an electronic recording system which may include a photograph of the visitor being taken.
- If the visitor is part of a large group of visitors a separate register may be utilised
- A visitor's badge should be worn and displayed prominently at all times whilst in the school.
- Visitors should wait in the reception area until they are met by an appropriate member of staff to be escorted to their destination.
- All visitors should be accompanied by a member of staff. Visitors should not be alone with pupils unless this is a legitimate part of their role for example a social worker seeing a child and the school has assured the visitor's employers have confirmed that their staff have appropriate checks.
- If visitors find they are alone with pupils they should report to a member of staff or reception. This should be explained to visitors at the point of arrival.
- On departing the school, visitors should leave via reception, sign out of the building, return their visitor badge and be seen to leave the premises. School reception staff should check the 'in – out' records regularly to monitor compliance with these procedures.

4. Categories of Visitors

4.1 Cheshire East Council staff

Cheshire East Council staff who visit schools and who have unsupervised contact with children will have had an appropriate DBS check conducted by their employing service. If the nature of their work requires it, the service will also have applied the requirements of the Childcare Disqualification regulations

In these circumstances the statutory guidance says: 'Schools and colleges must obtain written notification from any agency, or third-party organisation they use that the organisation has carried out the checks (in respect of the enhanced DBS certificate that written notification has been received that confirms the certificate has been obtained by either the employment business or another such business), on an individual who will be working at the school or college that the school or college would otherwise perform. Where the position requires a barred list check this must be obtained, by the agency or third-party prior to appointing that individual. The school must also check that the person presenting themselves for work is the same person on whom the checks have been made.' This guidance can be regarded by schools as the 'written notification' required by the guidance.

An example template of written notification is included at Appendix 1.

Schools will, of course, need to see identification from visitors to confirm that they do indeed work for Cheshire East Council. All Cheshire East Council staff visiting schools carry photo identification.

4.2 Staff from other agencies

The same requirement as in 4.1 applies. If schools have 'written notification' from an agency that their staff have a DBS 'Enhanced with barred list information' check, then it is not necessary for the visitor to produce individual evidence of their DBS check before being granted unsupervised contact with children.

4.3 Ofsted

Ofsted have provided NCC with written confirmation that all Ofsted staff who would visit a school have been through a DBS 'Enhanced with barred list information' check. They have also confirmed that all approved additional inspectors have also been through a DBS 'Enhanced with barred list information' check. Ofsted provide a list of all approved additional inspectors at:

<https://www.gov.uk/search?q=additional+inspectors>

RCSAT schools can regard this note as constituting 'written notification' that Ofsted staff have been subject to relevant checks, as NCC holds the 'written notification' from Ofsted.

Monitoring and Evaluation

Like all safeguarding policies schools should monitor and evaluate the implementation and effectiveness of this guidance on a regular basis.

Review of guidance

The guidance will be reviewed by Cheshire East Children's Safeguarding Board annually and reflect any revisions to national or local guidance or as a result of any lessons learned locally.
