### **YEAR 5/6 PRIMARY COLLEGE -9<sup>th</sup> July 2025**

Dear Parent/Carer,

This year we will be taking part in the Primary College initiative organised by South Cheshire College (SCC). This is a unique opportunity for your child to experience a wide range of fully supervised activities and to develop skills in areas they have not previously explored. There are about 50 activities running this year for the children to choose from such as: falconry, brick laying, design, drama, art, computing, various sporting activities, hair-care and bridge building. Primary College will be taking place on **Wednesday 9<sup>th</sup> July** where the children will be able to experience different activities on the day. Next week we will be discussing the activities available and your child will be able to choose their preferences.

The children must wear their leavers' hoodies on the day and clothing appropriate to the activities they are taking part in. The following is a list of what they will need (dependent on activity):

- PE kit (if participating in any sporting activity that day)
- Overall or art shirt (for messy activities)
- Sensible footwear for their activities
- A snack and a packed lunch
- Extra drinks for the day

The group will mix with children and staff from 30 other primary schools in the Crewe and Nantwich area and the whole experience will be good practice for life at secondary school and beyond. This is also a good opportunity to make new friends and to help with their transition to High School.

The cost of the trip is £7.50; this is to cover the travel costs of a bus to and from SCC. Children should arrive at school in the correct clothing for their activity and their leavers hoodies, as stated above; once registered they will be transported to SCC by bus and return to school by home time so there are no changes to the school day. If you have any queries about the Primary College visit please do not hesitate to contact me.

Yours sincerely

Fiona Fields

Y6 Teacher
