GENEROSITY

Generosity is our Christian Value this half term, and the focus for our Worship and Ethos Team awards. This week, children have been learning how it makes people feel when we are generous, and how we can not only give material things, but our time too.

From Tuesday 9th September, the teaching staff will be running a homework club for pupils in Reception to Year 6. This will be an opportunity for children to complete DoJo homework, spellings, reading and maths (Numbots or TT Rockstars) with some support where appropriate. Sessions run from 3.15pm-4pm each Tuesday and are free to join. However, spaces are limited. Please sign up via School Spider and places are allocated on a first come first served basis.

Rocksteady Rock Bands

A letter has come home with your child today to sign up to be in their very own Rockband! Places are limited across the school so please return the slip as soon as possible. Sessions start on Monday 15th September and all children have given their first, second and third choices for an instrument. We will be in touch once places have been filled to give you a login to the Rocksteady website, where you will be notified of skills learnt, backstage photographs and videos and dates for performances! We are so excited to get started! If you have any questions or queries, please speak to me or the class teachers.

WELCOME BACK!

It has been an absolute pleasure to see our children return to school with bright smiles and a wonderfully positive attitude. Their joy and enthusiasm have filled our classrooms and school with a renewed sense of energy and hope.

As we begin this new academic year, we are reminded of the strength and beauty of our school community. We are a caring Christian family where we grow together—in faith, in learning, and in love. Rooted in Christian values, we strive to nurture each child's unique gifts, encouraging them to flourish spiritually, academically, and socially.

Thank you for your continued support and partnership. We look forward to walking alongside you and your children in the months ahead, growing together in grace and wisdom.

And Finally

Next week I am hoping to share with you the diary dates for the year, including nativity plays, Christmas PTA events, discos and sports day. This will hopefully allow you to plan time off to join us where you can.

We are just waiting to confirm a few events before we're ready to print - thank you for your patience with this.

Following feedback from parents at the end of last term, you will notice that the newsletter is slightly different. We have decided to put lots of information out directly as and when we have it via DoJo, rather than have a lengthy newsletter. We hope this will make it easier to find information and we will be getting more feedback from you towards the end of the month.
