## GENEROSITY

This half term, we are focusing on the Christian value of generosity - giving to others with a kind and open heart. We've been exploring what it means to be generous not just with things, but with our time, words, and actions. In class worship, we looked at the story of the Widow's Offering (Mark 12:41-44), where a woman gave just two small coins, but Jesus said she had given more than anyone else because she gave with love and trust in God. This reminds us that generosity isn't about how much we give, but the heart with which we give it.

## Sports Events for Autumn

### Sports Events for Autumn Term

We're delighted to be continuing our work with the **Crewe and Nantwich Schools Sports Partnership** this year. As part of this, we've added a number of exciting sports competitions and activities to the autumn term calendar. These events are listed in the diary dates shared via Class Dojo, so please do take a look.

To help keep things organised, Mrs Jordan will be adding each event to the relevant year groups via School Spider around 10 days before the event takes place. Please make sure to sign up when the notification comes through.

Thank you for your continued support with these events —**the children gain so much from them**, enjoying both the chance to compete and the opportunity to try new sports. We've also arranged some **extra preparation sessions**, and more information about these will be shared via Dojo closer to the time.

## Head Girl and Boy

We are delighted to announce that the staff and pupils have voted for their Head Boy and Head Girl for this academic year.

Huge congratulations to all of the Year 6 pupils who stood up and presented to the school - it's not easy to stand up at the front! We are so proud to say that Jess Boote and Caleb Simcock are now Head Girl and Boy, with deputies being Maddie Willan and George Evans.

We are excited to hear their vision for the year ahead, and work together with them to make this a fantastic year at St Oswalds!

## Parent Council

Today we have sent out a letter to let you know we are starting a parent council.

We are really keen to continue to work with parents to ensure pupils, families and school all have a shared understanding and focus to achieve the best outcomes for all.

If you are interested in joining the Parent Council, please let a class teacher or Mrs McDonough know. We aim to start this before half term, and meetings should last no longer than an hour (hopefully!)

## And Finally .....

Many thanks for your patience and understanding as we've worked through some recent challenges with School Money, School Spider, and the other online platforms we use to stay connected with you. Over the summer, we moved to a new central system called Compass, which unfortunately caused a few hiccups as the systems weren't communicating properly. The good news is that everything is now up and running as it should be, and we're hopeful that things will run smoothly from next week onwards. Thank you again for your continued support!
