FORMS A & B SHOULD BE RETAINED BY THE CHILDCARE PROVIDER. Claims for EYPP should be entered online by the childcare provider at www.cheshireeast.gov.uk/eyp

The information you give within this form will be retained by your nursery / pre-school / childminder and Cheshire East Council. The childcare provider holds information on children in order to support their development, monitor their progress, to provide appropriate pastoral care and to assess how well the Provider is doing. This information includes your child's contact details, ethnic group and any special educational needs.

Childcare providers are required by law to pass some information about your child to the Local Authority and the Department for Education. The information is used to derive statistics to inform various decisions. The statistics are used in such a way that individual children cannot be identified.

HOW TO COMPLETE THIS FORM

1. Child Details

Please ensure you complete all details in this section. You should use the child's legal name as shown on their birth certificate. Providers and the Council will be entitled to request sight of your child's birth certificate as proof of your child's age and eligibility to claim the Free Entitlement and Early Years Pupil Premium.

Ethnicity Codes are listed on the form. If you do not want the ethnic origin of your child to be known please enter the code REFU.

The Council and Provider need to know if your child has any special educational needs which may affect the level of funding your child receives. SEN codes are listed on the form.

2. Parent/ Guardian/ Carer Information

This should include the details of the person with legal Parental Responsibility for the child. The Declaration should be signed by the person with legal parental responsibility.

3. Early Years Pupil Premium

From April 2015, childcare providers are able to claim extra funding through the Early Years Pupil Premium to support children's development, learning and care. Registering could provide up to an extra £300 for your child's nursery, pre-school or childminder to fund valuable support like extra training or additional resources. All parents/guardians/carers are therefore asked to complete the form.

Your child's eligibility will be checked again when they start taking up their 4 year old entitlement. This is to confirm that they are still eligible to receive the Early Years Pupil Premium. To avoid completing another form, the data supplied on this form will be retained securely by your child's nursery, pre-school or childminder and used to undertake a second check.

You are free to withdraw your consent so that your details are not used in future.

Using this scheme will not affect any of the benefits you may be entitled to.

4. Declaration

Please sign to confirm that you understand why the data is being collected and how it will be used.
