Y4 Multiplication Test June 2023

Dear Parent/Carer,

In June, children in Y4 will be taking part in a national times tables test online. This test will include 25 questions of mixed times tables from their 2s up to their 12s. On **January 18th, at 3.30pm**, I will be holding a parent meeting to talk through what the test will look like and how you can best help your child. It will also be a chance to ask any questions that you may have and to put your mind at ease.

We don't want to put any pressure on the children but hope to instil a love of maths and times tables. In the meantime, time spent on TTrackstars or practising times tables at home ahead of the times tables test every Friday would be really beneficial.

Thank you all for your continued help and I hope to see you in January.

Yours sincerely,

Mrs Croft

Year Four Teacher
